

Iowa State University Research Park
Technology Incubator

Please complete this application prior to initiating the process of applying for the incubator program, either as a tenant or as an affiliate.

Company Name _____ Phone _____

Address _____ Other Phone _____

Corporate Officers or Partners:

President _____ Address _____

Vice President _____ Address _____

Sec/Treasurer _____ Address _____

List each product that your company has developed and those which you intend to develop.

Describe how your product(s) relates to ISU technology or resources.

Describe any past or present affiliations that your company has (had) with ISU researchers, departments, or service agencies for the purpose of developing your product(s) or assisting with your business development.

Do you have or are you planning to have a licensing agreement with ISU?

Why are you applying for tenancy or for affiliate status in the ISU Research Park Technology Incubator?

List the type of work that your company expects to perform (tenancy only).

List the types of machines that you expect to locate in the RP.

Please provide a 1-2 paragraph business description of your company. If you would like to see examples of descriptions for current tenants, please see our tenant directory at <http://www.isupark.org/tenants/directory.cfm> . Use a separate sheet, if necessary.

How many employees will work in the Incubator at least ten hours a week? _____

Do you have a completed business plan? _____

List any special requirements that you have if you locate in the Incubator, i.e.; heavy water supply, management assistance, special room configuration, etc.

What is your target date for tenancy or to obtain affiliate status? _____

We appreciate your interest in the Incubator program at the ISU Research Park. The completion of this application is the first step towards being accepted into the program, either as a tenant or affiliate. We would also like the opportunity to discuss your business plan, financial statements, and overall goals for your company because they relate to the benefit that you can expect to receive as a participant in the program.

The ISU Research Park Corporation requests this information for the purpose of prospective tenant or affiliate evaluation. No persons outside the Research Park are routinely provided this information.

Representing the company _____ Date _____
